

Name: _____

Period: _____

Science 8: Newton's Laws Essay

1. Heading required.
2. Neatness and spelling count.
3. Need at least 5 paragraphs--one for each law, one for introduction, one for conclusion.
4. Each paragraph requires:
 - topic sentence
 - definition of law (paragraph one is law one, etc.)
 - description of how one of the activities we've done illustrates (or is an example of) that law of motion.
5. If typed, the paper should be in 12 point font, double spaced.
6. If hand written, please also double space, particularly if your handwriting is large.

Activities

- Playing marbles
- Card, pennies and cup
- Stack of pennies
- Catching pennies
- Car and ramp
- Balloon and straw.

Rubric - 70 points total (as much as a test!)

The introduction and conclusion are worth 5 points each.

Each law is worth 20 points:

- +2 Topic sentence
- +2 Complete definition of Law
- +10 Body – describe the activity and how it relates to Newton's Law
- + 6 Spelling, capitalization, neatness, etc.

Extra credit:

- +5 Typed and double-spaced
