

Hats off to Dr. Seuss™

Hat Toss

Materials:

- Construction paper
- Paper bags
- Markers or crayons
- 5–10 sheets of paper per participant

Step 1: Make paper-bag hats like the Cat in the Hat's!

- Open your paper bag and roll down the top to create a brim for your hat
- Using construction paper or markers put red and white stripes on your bag.
- Write your name on your new paper hat!

Step 2: Wad up pieces of paper to create paper balls (make 5–10).

Step 3: Place your paper hat on the floor so that the opening faces up. Stand approximately 3 feet away from your hat and try to toss your paper balls into the hat.

The person with the most paper balls in their hat wins!
